Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — Science Applications International Corporation (SAIC) of San Diego is being awarded a \$25,062,023 indefinite delivery/indefinite quantity-type contract with cost-plus-fixed-fee pricing for systems engineering, analysis and support for command and intelligence systems. All work will be performed in San Diego. This will be a five-year contract with no options. The period of performance is from July 20, 2000 through July 19, 2005. Contract funds in the amount of \$250,000 will not expire at the end of the current fiscal year. This contract was competitively procured via the SPAWAR e-commerce web site with six offers received. Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-00-D-5028).
